

CERTIFICATE II IN CIVIL CONSTRUCTION

RII20720

The Civil Construction program provides existing building and construction workers with training that focuses on the safety requirements of the industry and the associated requirements of licensing and regulatory authorities, such as Workplace Health and Safety, and National Units out of the RII resource infrastructure Industry Training Package. For workers, obtaining a range of relevant skills can help them to increase employment opportunities by being able to perform a range of jobs and respond to emerging skills and labour shortages.

TP TRAINING PTY LTD ENTRY REQUIREMENTS

- Have a current SafeWork NSW White Card (or equivalent)
